INDEPENDENT AUDITOR'S REPORT

**Board of Education and
Measure L Citizens' Oversight Committee
Lodi Unified School District
Lodi, California**

We have conducted a performance audit of the Lodi Unified School District's (the District) Measure L General Obligation Bonds for the year ended June 30, 2016.

We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe that the evidence obtained provides reasonable basis for the findings and conclusions based on our audit objectives.

Our audit was limited to the objectives listed on page 2 of this report which includes determining the compliance with the performance requirements for the Proposition 39 Measure L General Obligation Bonds under the applicable provisions of Section 1(b)(3)(C) of Article XIII A of the California Constitution and Proposition 39 as they apply to the bonds and the net proceeds thereof. Management is responsible for the District's compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal controls of the District to determine if internal controls were adequate to help ensure the District's compliance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution. Accordingly, we do not express any assurance on the internal controls.

The results of our tests indicated that, in all significant respects, the Lodi Unified School District expended Measure L General Obligation Bond funds for the year ended June 30, 2016 only for the specific projects developed by the District's Board of Education and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.

**PERFORMANCE AUDIT
JUNE 30, 2016**

OBJECTIVES

The objectives of our performance audit were to document the expenditures charged to Measure L General Obligation Bonds (the Measure) which were approved under Proposition 39, determine whether expenditures for fiscal year ended June 30, 2016 charged to the Building Fund have been made in accordance with project budgets and guidelines, note any incongruities or system weaknesses, and provide recommendations for improvements.

SCOPE OF THE AUDIT

The scope of our performance audit covered the fiscal year ended June 30, 2016. Expenditures incurred after the issuance of the bonds and prior to July 1, 2015, were covered in previous audits. The expenditures included all object and project codes associated with the Bond projects. Expenditures incurred subsequent to June 30, 2016 were not reviewed or included within the scope of our audit.

BACKGROUND INFORMATION

On November 7, 2006, \$114,000,000 in general obligation bonds were authorized by voter approval of Measure L. The first series of Bonds in the amount of \$50,000,000 was issued in July, 2007 (2007 issue). The total proceeds from the bond series less the bond issuance costs are to be used to finance the planning, construction, acquisition, furnishing, and equipping of District facilities. The 2016 General Obligation Refunding Bonds were issued on May 19, 2016, which refunded all but \$1,885,000 of the 2007 issue.

A Citizens Oversight Committee (the Committee) was appointed to comply with the California Constitution and the Education Code. The purpose of the Committee is to monitor and report on the expenditure of the Measure's bond proceeds, and to inform the public concerning the expenditure of the bond proceeds. Section 1(b)(3) of Article XIII A of the California Constitution requires an annual performance audit be conducted to ensure that the funds have been expended only on the specific projects publicized by the District.

PROCEDURES PERFORMED

We obtained the Building Fund general ledger and the project expenditure summary reports and detail prepared by the District for the fiscal year ended June 30, 2016. Within the year audited, we obtained the actual invoices and other supporting documentation for a sample of expenditures to ensure compliance with the Proposition 39 and Measure L General Obligation Bond funding. We performed the following procedures:

- We reviewed the list of projects being performed to verify that the list of intended projects is consistent with the District's Facilities Project List.
- We verified that the District created the required debt service fund and capital outlay fund in order to account for the bond proceeds and expenditures.
- We verified that the proceeds from the sale of bonds were deposited in an appropriate debt service fund and a capital outlay projects fund.
- We determined that the Committee is fulfilling its duties as outlined in the Citizens' Bond Oversight Committee Bylaws.
- We selected a sample of expenditures in the fiscal year ended June 30, 2016, and reviewed supporting documentation to ensure that funds were properly expended on the specific projects outlined on the publicized list and met the requirements for bidding, if applicable.
- We verified that funds were used for the construction, acquisition, furnishing, and equipping of District facilities, and we verified that funding was not used for salaries of school administrators or other operating expenses of the District.
