Tobacco-Free School District

- I. The use of tobacco products is prohibited anywhere, any time on district property or in district vehicles.
- II. A tobacco-free district promotes healthy lives, decreases health care costs and supplies good role models, all providing a safe and productive environment.

Citizens in violation of the school district policy will experience the following:

1st Offense: Citizens who are observed smoking or using tobacco products on school district property shall be asked to refrain from smoking on school property.

2nd Offense: If the individual fails to comply with the request, his/her violation of policy may be referred to the building principal or other school district supervisory personnel responsible for the area or program during which the violation occurred.

3rd Offense: The supervisor shall make a decision on further action which may include a directive to leave school property. Repeated violations may result in a recommendation to the superintendent or designee to prohibit the individual from entering school district property for a specified period of time.

4th Offense: If deemed necessary by school administration, the local law enforcement agency may be called upon to assist with enforcement of this policy.
