Crisis Intervention

The Board of Education recognizes the need to provide support to students in the event of a crisis. A crisis is defined as a traumatic event which affects the health, safety, or social-emotional well being of students. It is the intent of the Board of Education that the administration shall develop procedures to assist schools and students in these instances.

It is the policy of the Board of Education that the district have a plan in place for the provision of immediate counseling and crisis management as well as follow-up support.
