

LODI UNIFIED SCHOOL DISTRICT

Policy 5142.2

Students

Crossing Guards

The Board of Education is concerned about the safety of students as they walk to and from school. The Board desires that crossing guards be provided to help elementary children cross busy streets.

The Superintendent or designee shall periodically examine traffic patterns within elementary school attendance areas in order to identify locations where crossing assistance may be needed.

The Superintendent is authorized to employ adult crossing guards and to pursue reimbursement from the city, county, or other sources for that service as provided by law. If reimbursement is not forthcoming, the cost of providing crossing guards may be included in the district budget.

The Superintendent or designee may establish safety patrols at elementary schools for the purpose of assisting students in safely crossing streets and highways adjacent to or near the school.
