

Instruction**Procedural Safeguards and Complaints for Special Education****Informal Process/Pre-Hearing Mediation Conference**

Prior to or upon initiating a due process hearing, the superintendent or designee and a parent/guardian may, if the party initiating the hearing so chooses, agree to meet informally to resolve any issue(s) relating to the identification, assessment or education and placement, or provision of FAPE (free, appropriate public education) for a student with disabilities. The Superintendent or designee shall have the authority to resolve the issue(s).

In addition, either party may file a request with the Superintendent of Public Instruction for a mediation conference to be conducted by a person under contract with the California Department of Education. If resolution is reached that resolves the due process issue(s), the parties shall enter into a legally binding agreement that satisfies the requirements of Education Code 56500.3.

Attorneys may attend or otherwise participate only in those mediation conferences that are scheduled after the filing of a request for due process hearing.

Due Process Complaints

A parent/guardian, and/or the district may initiate due process hearing procedures whenever:

4. There is a disagreement between a parent/guardian and the district regarding the availability of a program appropriate for the student, including the question of financial responsibility, as specified in 34 CFR 300.148.

1. The student's name
2. The student's address or, in the case of a student identified as homeless pursuant to 42 USC 11434, available contact information for that student

4. A description of the nature of the student's problem relating to the proposed or refused initiation or change, including facts relating to the problem
5. A proposed resolution to the problem to the extent known and available to the parents/guardians at the time

Parties filing a due process complaint shall file their request with the Superintendent of Public Instruction or designated contracted agency.
