1. Textbooks and instructional materials
 - a. A pupil, including an English learner, does not have standards-aligned textbooks or instructional materials or state or district-adopted textbooks or other required instructional materials to use in class.
 - b. A pupil does not have access to instructional materials to use at home or after school. This does not require two sets of textbooks or instructional materials for each student.
 - c. Textbooks or instructional materials are in poor or unusable condition, have missing pages, or are unreadable due to damage.

 - b. A teacher who lacks credentials or training to teach English learners is assigned to teach a class with more than 20 percent English learner pupil in the class.
 - c. A teacher is assigned to teach a class for which the teacher lacks subject matter competency.

Teacher vacancy means a position to which a single designated certificated employee has not been assigned at the beginning of the year

for an entire year or, if the position is for a one-semester course, a position to which a single designated certificated employee has not been assigned at the beginning of the semester for an entire semester.

Beginning of the year or semester means the first day classes necessary to serve all the pupils enrolled are established with a single designated certificated employee assigned for the duration of the class, but not later than 20 working days after the first day pupils attend classes for that semester.

Misassignment means the placement of a certificated employee in a teaching or services position for which the employee does not hold a legally recognized certificate or credential or the placement of a certificated employee in a teaching or services position that the employee is not otherwise authorized by statute to hold.

3. Facilities

- a. A condition poses an emergency or urgent threat to the health or safety of pupil or staff.

Emergency or urgent threat means structures or systems that are in a condition that poses a threat to the health and safety of pupils or staff while at school, including but not limited to, gas leaks; nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems; electrical power failure; major sewer line stoppage; major pest or vermin infestation; broken windows or exterior doors or gates that will not lock and that pose a security risk; abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff; or structural damage creating a hazardous or uninhabitable condition; or any other condition deemed appropriate.

Clean or maintained school restroom means a school restroom has been cleaned or maintained regularly, is fully operational, or has been stocked at all times with toilet paper, soap, or paper towels or functional hand dryers.

Open restroom means the school has kept all restrooms open during school hours when pupils are not in classes and has kept a sufficient number of restrooms open during school hours when students are in classes. This does not apply when the temporary closing of the restroom is necessary for student safety or to make repairs.

4. Non-compliance with legal requirements pertaining to the local control and accountability plan.

These summaries shall be publicly reported on a quarterly basis at a regularly scheduled Board meeting.

Forms and Notices

The superintendent or designee shall ensure that a Williams complaint form is available at each school. However, complainants need not use the district's complaint form in order to file a complaint.
